

# BACKGROUND

Biosphere was privileged to open another office officially operating out of Gauteng as well as George, Western Cape.

2023

Biosphere Enviro Solutions continue to grow its workloads and clientele and as such, welcome new members to their team.

The team continues to strive toward bringing their expertise and perspectives to the table.

2022

The Biosphere Enviro Solutions team have made many leaps and bounds creating new- and developing working relationships.

The Biosphere team officially relocated to Pretoria, Gauteng Province.

2021

The team continuously bring new perspective and solutions to various environmental aspects.

The company had faced many extraordinary challenges and re-formed those challenges into opportunity.

EARLY 2020

Biosphere Enviro Solutions had started up amidst the Covid 19 pandemic.
